President's Message . . .

"With two interesting qualifying rounds completed, I now look forward to what promises to be a feast of thrilling football in the final round.

"Congratulations to the teams in the top four and I wish them all a fair share of Dame Fortune in their quest for the 1961 pennant.

"To the clubs that did not make it, may better luck come your way in 1962. I express my thanks to the many supporters of the clubs for their interest and I trust that the games to come will be a fitting reward for your patronage.

"This, being the first issue of the Budget, I take this opportunity to express my appreciation to the league vice-president and producer, Mr. F. Semmens, for his interest. I hope that the Budget will be a regular feature of the league's activities in 1962.

"This season has been a great success and we can look forward to next year with great confidence."

SECRETARY'S REVIEW

"The 1961 season ushered in a new era in the competitive football of both Murray and the South Suburban Associations. During that year we had two secretaries operating; each taking charge of their respective ends. This year, Mr. Reg Blackburn became secretary of the S.S.M.N.F.L. and the council has been able to proceed successfully with the help of his untiring enthusiasm.

"I would like to convey to Mr. Blackburn wishes for a speedy recovery on behalf of the league council.

"Changes to the team's lists for the finals should be in the hands of the editor, not later than Tuesday evening. As your supporters are always interested in club notes, please co-operate by noting this strict deadline.

"Congratulations and thanks to Mr. F. Semmens, of the "Coastal Districts Times", for having made this Budget possible. The success will depend on club support in supplying notes and selling their quota. Given support this year it could become a permanent part of your weekend reading next year.

"Thanking all clubs for their support during the season. Those that did not make the four this year, will probably have a turn next season.

"May the best team win."

Editorial...

The publication of this Football Budget, the official organ of the South Suburban-Murray National Football League, has been organised for the mutual benefit of all concerned within the South Suburban and Murray football districts.

Although the Budget, in some respects, may seem to have come as an anti-climax to the 1961 season, it achieves a threefold purpose, as intended by the league. It cannot fail to bring the ten clubs closer together, by its weekly contact; (2) publicise the results, functions and opinions of the clubs; and (3) convey to supporters a regular outline of the league's progress, club doings and results from Cannington in the north to Waroona in the south, east to Dwellingup-Banksiadale and west to Mandurah.

The success or failure of this trial period, throughout the final round, will depend largely on the weekly notes from all clubs. This trial period will provide a basis for the future.

In this effort, too, a special tribute must be paid to advertisers, who have come forward to support the move and ensure that the league, clubs and supporters can enjoy their Football Budget.

MANDURAH UNIMPRESSIVE AT GOSNELLS

Although they were untroubled to beat Gosnells by 23 points last Sunday, Mandurah were unimpressive and will need to improve considerably if they have hopes of beating Cannington in the second semi-final next Sunday.

Eight points in their favour at three-quarter time, Mandurah scrambled through the last quarter to win 12 goals 19 to 10 goals 8.

With the weather warm and the ground dry, far too many easy marks were dropped and the kicking by both teams was poor.

In comparison, the seconds game provided the crowd with much better dry weather football.

Centreman, W. Watts, played well for Mandurah, driving his team into attack with long drop kicks. Kevin Fogarty marked well at full forward, but missed too many easy goals.

Gosnells defenders K. Murray, R. Rayment and Frank Weale made scoring hard for Mandurah, while in attack B. Woodward and E. Martin fought determinedly.

In contrast to their premiership winning performance against Kelmscott the week before, Mandurah were sluggish in attack.

The Gosnells seconds led, kicked and marked beautifully to thrash Mandurah 29 goals 16 to 2 goals 2. They should enter the second semi-final next weekend full of confidence in being able to give Canning their first beating for the season.

MANDURAH NEARS TARGET

A few days before the Football Budget went to press, the membership of the Mandurah Football Club was at 282. The club secretary (Mr. Ron Scott) said that they hoped to reach their target of 300 before the end of the finals.

Club membership in the 1960 season had been only 101. When Mandurah defeated Pinjarra in the 1960 grand final, it was the first time the club had won in 11 years. This and the new ground at Rushton Park, account for the increased support of the club.

During the year, Mandurah finished paying for their club rooms which cost about £550. Only twice during the season did the club gate receipts fall below £40 and their average was about £45 per match.

LEAGUE DOINGS

Top teams in each match will wear white shorts in the final round. As an example, this means that Canning will wear white and Mandurah black shorts and also applies to the Seconds competition.

Both premiership pennants will be coloured black, red and white, the league colours.

Trophies won during the season will be presented by the league patron, Sir Ross McLarty, M.L.A., immediately prior to the league grand final on September 24.

INJURIES ACCOUNT FOR PINJARRA WEAKNESS

Although the Pinjarra Football Club started the season on a bright note with high hopes, during the year the team suffered with a large number of injuries and the transfer of key players out of the district left them struggling. The disappointment in not making the final four is lightened in the knowledge that this is the first time for many years that the Pinjarra Club has not been participating in the finals.

The club is also very hopeful. With so many old-time star players replaced it did give many promising juniors a chance and with a year's experience behind them they should be a great help to the club in the next few years.

MURRAY MACDONALD was perhaps Pinjarra's best player during the season. He played consistently week after week.

Seventeen-year-old **JOHN McINTOSH** has a wonderful football future. The six foot three inch ruckman has been approached by all league clubs after a wonderful season.

GRAHAM JOHNS is another footballer with a bright future. A very fast wingman.

TIM BROWN is a seconds player who gained a place in the league team this year and appears to have consolidated his position.

One of the veterans who really turned in some good football during the season was **MAX BAKER**.

Reg Wallace was a most consistent ruckman in the seconds, while Barry Sutton was the most improved junior in the seconds. Others to give good service to the seconds were Peter Eddy, who has more than justified a try in the league team and Peter Dixon, who is a consistent battler.

MADDINGTON CLUB NOTES

Playing in the first semi-final for Maddington today will be six players with more than 100 games to their credit. They are Les Thorn (130), Noel Meckenstock (126), Robert Ryan (119), Herb Byrne (111), Rod Portsmouth (102) and John Weaver (102).

Veteran player for the club is Les Thorn, who is playing his eighth season. Thorn, who is at present secretary-treasurer of the club, has played in many positions.

Coaches of Maddington are Jim Braphy (league) and Mitchell White (seconds). Braphy, who is well known in football circles in South Perth, is in his fourth season as coach. He was in charge of the Maddington team that were premiers of the South Suburban Association in 1959.

White is a former Canning Districts and Perth seconds player. Playing for the league side, he is in his first season as seconds coach.

The Maddington club are to hold a barbecue after today's game and all players, supporters and friends are welcome.

ARMADALE CHIT CHAT

Congratulations are due to three Armadale league players who recently celebrated their 21st birthdays. Three parties in three weeks have been held for Fred Towers, Frank Green and Neil McCormick.

After the thrilling game last Sunday, players, supporters and friends were invited home by Mr. and Mrs. R. Lammonby and a very enjoyable evening was had. Thanks—a grand ending to a grand day of football.

Tonight at the Buffs Hall in Armadale, the club is to hold a barbecue to celebrate (we hope!) our win over Maddington. Players and supporters are urged to attend.

The club was sorry to hear of the death of Mr. McGill and express sincere sympathy to his son, Darbey.

KELMSCOTT WIND UP FIGHTING

Although they had no chance of making the final four, Kelmscott wound up their season on Sunday with a courageous fight against Armadale to lose by only five points.

Later described as the best game since the league was formed, it was played at a scorching pace and in the last quarter the thrilled crowd saw the lead change six times.

Kelmscott led by twelve points at one stage in the last quarter, but Armadale fought back to level. Kelmscott quickly struck another high spot and a goal from Bosustow and a forced point game them a seven-point lead.

Armadale were in a hopeless position with only minutes to go, but Cyprian goaled and with thirty seconds to play Cyprian again marked in front to give his side the match.

A game that will be remembered for a long time to come and a game that will give Armadale a world of confidence when they run out to meet Maddington today.

FINAL SCORES

Armadale 14 goals 14 (98) defeated Kelmscott 12 goals 21 (93).

GOAL SCORERS

Armadale: Quain, Cyprian 3 each, Miller, Lammonby 2 each, Green, Varion, Davies and Reid 1 each.

Kelmscott: Fancote 4, Bosustow, Turkington, Pierce 2 each, Ennis, McGillivray 1 each.

THE HAWK'S REPORT GOSNELLS NOTES

Don Ibbs was the only Gosnells football player that reached his 150 games, while Ray Rayment, Eric Martin and Ken Price all brought up their 100 during the season. These players received a memento of their achievements in the form of an inscribed tie pin.

Stalwart, Frank Weale, leads the club with a record 220 games and only in recent games has he left the field before the final siren. Frank has been honoured with a club life membership.

Last season, Barrie Matison played his 100th game but has since been playing seconds.

The club extends best wishes for a speedy recovery to club member and league secretary, Mr. Reg Blackburn, who is at present in a Perth hospital.

Among those at the match last Sunday (against Mandurah) were two recent old players in Noel O'Connell and Laurie Keys. Noel, who is now school teaching at Bridgetown, is having an excellent season with the Bridgetown Bulldogs. Laurie is on leave before being stationed in Malaya with the Army.

CHRIS BAXTER - FAIREST AND BEST

Centre half-forward Christ Baxter has won the fairest and best trophy for Cannington, club president (Mr. F. Watson), announced last Tuesday.

Chris, who polled 46 votes, was closely followed by Chris Noble (39), who has won a trophy for the club's most consistent player. John Hilton was third with 24 points.

Brian Hilton was awarded a trophy for the most improved player and centre half-back John Worth, who won the fairest and best last year, was the best position player. R. Haywood was the most improved junior.

The club is very pleased in that there are no outstanding players in the side. Twenty-one players recorded votes, which shows that Canning is really playing as a team.

SECONDS

Kevin Morrissey, with 15 votes, won the fairest and best trophy, with J. Haywood (8) second. Joe Roe, with 7 points, is the team's most consistent player and R. Woods (also with 7) is the most improved. Full forward V. Jervis, recorded 4 points and won a trophy for the best position player. B. Cooper is the most improved junior.

Promising under-14 footballer, Greg Larson, has won the Perth Junior Football Association fairest and best. The Canning under-14's and under-16's reached the finals in their first year in the Perth Association, but they were put out by South Perth in both grades last weekend.

The Canning State School won the premiership from Bentley, recently, after coming from third place in the four.

A fortnight ago against Kenwick, R. Thorpe played his 150th game for the club and in the last game of the season against Pinjarra last Sunday, centreman L. Giles, played his 100th game.

Club life member, Cecil Treasure, who did a very good job with the three junior teams this year, has been awarded the best club man trophy. Last year he was coach of the Canning "A" grade.

NEXT WEEK'S GAMES

SECOND SEMI-FINAL

LEAGUE: Canning v. Mandurah, at Pinjarra.

SECONDS: Canning v. Gosnells, at Pinjarra.

OVAL IN GOOD CONDITION

The Gosnells Football Club has gone to great pains to ensure that the oval is in good condition for the first semi-final today and the final in a fortnight. The management committee said during last week that they had put a lot of work into preparing the ground.

Facilities have been improved and more parking space is available. Afternoon tea kiosks, cool drink, cigarettes and sweet stalls are to be erected and visitors will find things conveniently arranged for their comfort.

The ladies' committee will be only too pleased to assist mothers with babies and young children.

FAIREST AND BEST TO P. WOOLHEAD

Strong, consistent Hills ruckman, P. Woolhead, has won the "Times" trophy for the fairest and best player in S.S.M.N.F.L. Full details of the voting will appear in next week's Budget.
